The regular monthly meeting of the Common Council was held yesterday evening. Present, J. T. Ellyson (president), and the following members: Messrs. Adams, Archer, Bahen, Bowie, Campbell, Clarke, Catlett, Ellett, Frischkorn, Gunn, Harring, Hagging, Haggin Hargrove, Hayes, Higgins, Hooper, Hughes, Kirg, McDowell, Metzger, Mil-ler, Patton, Pizzini, Randolph, Rose, and

The Clerk read the lengthy minutes of the previous meetings, and they were signed by the President.

THANKS. Mr. Hayes moved a suspension of the rules, and in a few pleasant and well-timed remarks asked the adoption of the follow-ing preamble and resolution of thanks, and the Council unanimously agreed to the re-

the Council unanimously agreed to the request:

Whereas this being the last regular meeting of this Council, it is fit that suitable resolutions of thanks be tendered the president and officers of this Council for their failinfulness in the discharge of duties; therefore be it

Resolved. That the thanks of this body be, and the same are hereby, tendered to our President for his unitring efforts in discharging the difficult duties of his high office, and with an impartiality approved by all members of the body.

Resolved. That our thanks are due, and are hereby tendered, to the Clerk and Sergeant-at-Arms for courtestes shown to all its members and for devotion and faithfulness in performance of all duties which they have been called upon to execute.

Mr. Ellyson acknowledged the compli-

Mr. Ellyson acknowledged the compliment in a few feeling words, concluding by expressing the wish that all the members of the Council might find as much pleasure in their official life as he had in presiding over the body. He declared that he was indebted greatly to the members for their hearty cooperation in his efforts to promote the good service of the DISORDERS OF THE STOMACH, LIVER AND

Captain Maxwell T. Clarke cordially endorsed the resolutions, and made a brief speech, in which he spoke of the pride he So enviable a name has this famous Mineral Wa ter that the managers of inferior mineral springs, desirons of imitating the natural purity of the bou-tled water of Congress Spring, inject a powerful had always felt in Council matters, alluding, meanwhile, in feeling terms to his severance of connection therewith. acid in their bottled water to preserve the crude ngredients in solution, being so heavily laden with

THE PRESS REMEMBERED. Mr. Straus remembered the press, and the following resolution, offered by him, was adopted: Resolved. That the thanks of this Council are due, and hereby tendered, to the press of the city for favors and courtesies extended to this body.

STANDING COMMITTEES. Streets .- Mr. Ellett, from this committee, presented the monthly report, re-commending that awning privileges be granted the following parties: D. McCar-thy, John A. Witter, W. H. Mayo, Trexler But the Saratoga visitors without experience, and many who use the bottled waters (often labelled as curatives for disorders which they positively ag-CONGRESS WATER-PURE, NATURAL AND

Mr. Ellett also presented the following:

1. That permission is hereby granted the Southern Bell Telephone or Telegraph Company to erect poles and run suitable wire thereon, for the purpose of telephonic communication throughout the city, on the public streets thereof, on such routes as may be specified and agreed upon by a resolution of the Committee on Streets from time to time, and upon the conditions and under the provisions of this ordinance.

2. That where the poles of the fire-alarm and police telegraph now exist, or may at the time of the concession by the Street Committee exist, on any route so granted, the company to run its wires upon the said poles in such manner and at such height as may be prescribed by the City Engineer, and where such fire-alarm poles do not exist on any route conceded by the Committee on Streets and accepted by the company, the said company shall, under the direction of the City Engineer, so place its poles and wires as to allow the use of the said poles by the fire-alarm and police telegraph, in all cases giving the choice of position to the city wires wherever it shall be deemed advisable by the Council or the proper committee to extend the fire-alarm and police telegraph over such route.

3. No shade-trees shall be disturbed, cut, or This will certify that two members of my im-mediate family, after having suffered for many years from menstrual irregularity, and having been treated without benefit by various medical doctors, were at length completely cured by one bottle of Dr. J. Bradfield's Female Regulator. Its may the remedy be called "Woman's Best

shall be deemed advisable by included and proper committee to extend the fire-alarm and police telegraph over such route.

3. No shade-trees shall be disturbed, cut, or damaged by the said company in the prosecution of the work hereby authorized without the permission of the City Engineer first had been obtained; and all work authorized by this ordinance shall be in every respect subject to his supervision and centrol.

4. This ordinance may at any time be repealed by the Council of the city of Riehmond, such repeal to take effect twelve months after the ordinance or resolution repealing it becomes a law. Major John C. Whitner, of Atlanta, well and General Insurance Agent, says: "I used this remedy before the war on a large plantation in a great number of cases, always with absolute suc-

A good deal of discussion was provoked used Bradfield's Regulator extensively in my prac-tice with entire success. If it is not a specific, it is, in my opinion, the best known remedy for the

by this ordinance. Mr. Frischkorn said that the company "see-sawed," and he de-clared that a representative of it said a corporation like his could not be "dictated to," and that he afterwards "surrendered been using your Female Regulator for several weeks and with great benefit. My case is of long in the face of a rival company."

Mr. Straus opposed the report; and Mr. Hooper moved to lay on the table, which

motion prevailed. RICHMOND CITY RAILWAY.

Mr. Ellett further presented an ordinance allowing the Richmond City railway to en-ter any lot owned by them at the terminus of their line at Ashland and Reservoir streets, and to there establish a terminal depôt, subject to such restrictions and penalties as are usual, all the work to be done under the control of the City Engi-The ordinance was agreed to.

ARMORY HALL. Mr. Hargrove, from the Finance Committee, presented a resolution recommend-ing the appropriation of \$12,000 for the improvement of the Armory of the First

Virginia regiment.
The committee also recommended that the hall be used solely for drills, inspecin the blood is apt to show inserving nature should by all means be assisted in throwing it off. Swift's Specific does this effectively. It is wise agreed to by the Committee on

a purely vegetable, non-poisonous remedy, which helps nature to force all the poison or taint out Grounds and Buildings in formal session The report was unanimously adopted.
The report also recommended the appropriation of \$1.358 for the remodelling of

through the pores of the skin.

Mr. Robert A. Easley, of Dickson, Tenn., writes, under date March 10, 1884: "I had chills and fever, followed by rheumatism, for three years, so that I was not able to attend to my business; had tried almost every kind of medicine, and found no relief. A friend recommended Swift's Specific. I tried one bottle and my heaith began to improve. Leontinged until I had taken six bottles, and it the gas-works.

Schools.—Mr. Hughes presented report from the Committee on Schools recomposition. mending payment of claims of officers, I tried one bottle and my health segan to improve.
I continued until I had taken six bottles, and it
has set me on my feet, as sound and well as ever.
I recommend it to all similarly afflicted,"
Letters from twenty-three (23) of the leading teachers, and outstanding accounts. The returing clerk, George E. Smith, will be paid on the 1st of July for half-month's services from 15th of June. The report recommended that the Navy-Hill school be removed and a new building erected, and that the present Bethel School building and lot be sold, and a new site purchased and a any other one remedy, and three to ten times as much as any other blood medicine. We sell it to all classes, and many of the best families use it as

new building erected in a more suitable locality. The report was unanimously The report was unanimously adopted. RESOLUTIONS AND PETITIONS. By Mr. Metzger: Resolution to grade Thirtleth street from Broad to Main, and to have the north side of Broad from Twen-ty-sixth to Twenty-ninth street curbed. Street Committee.

By Mr. Frischkorn: By Mr. Frischkorn:

Whereas it is believed that a large majority of our cliuzens are in favor of introducing the electric light on our principal business streets, thereby placing our city on an equal progressive plane as other metropolitan cities; and whereas brilliantly filuminated streets are conducive to an increase of business: therefore be it

Resolved by the Council of the City of Richmond (the Board of Aldermen concurring). That the sum of \$7.500, or so much as may be necessary, be appropriated for the purpose of introducing the electric light from Seventh to Thirtieth streets on Main, and from Foushee to Twelth streets on Broad.

The proprietor was about four years caterer for the famous old Spotswood Hotel, and has been long known in Richmond as an experienced hotel-keeper and restauration. The comfort of guests specially considered. P. B. CALLAGHAN. je 1-Su,Tu&F3m

NO. 133. BASE-BALL YESTERDAY.

The Virginias Play at Johnstown, Pa., and QPECIAL SALE.

Win a Game.

The Virginias, baving two days without League engagements, played yesterday at Johnstown Pa., with the club at that place. The Johnstowns are applicants for admission into the Eastern League, to fill the place made vacant by the collapse of the Monumentals of Baltimore. The subjoined score indicates that a good game was played by both clubs. The Virginias played with a new pitcher (Larkins), and his work seems to have been quite effective that the second control of the clubs.

GOOD HOUSE-CLEANING is continued all through the year, and keeps close company with SAPOLIO. LORTY YEARS' EXPERIENCE OF

AN OLD NURSE.

MRS. WINSLOW'S SOOTHING SYRUP, fo children teething, is the prescription of one of the best female physicians and nurses in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. It relieves the child from pain, their children. It relieves the child from pain, cures dysentery and diarrhea, griping in the bowels, and wind colie. By giving health to the child it rests the mother. We would say to every mother who has a child suffering from any of the foregoing complaints. Do not let your projudices, nor the prejudices of others, stand between your suffering child and the relief that will be sureves, absolutely sure—to follow the use of this yes, absolutely sure—to follow the use of this medicine. Sold by druggists throughout the world
